SHOPPING NOTES

Spotlight on Nassau

HISTORY

Nassau is the capital of the Commonwealth of the Bahamas and the largest city in the Bahamas. Even though it sits on one of the smaller islands, Nassau is home to more than half of the 350,000 people who live in the Bahamas and is one of the island's most charming towns.

Nassau's history is rich with adventure. When Christopher Columbus landed in 1492, some of the Bahamas were inhabited by Lucayan Indians. The Spaniards abandoned plans to stay when they discovered there was no gold on the islands.

English Puritans from Bermuda, seeking a new way of life, came to the islands about 150 years later and settled on Eleuthera. More settlers followed.

For many years, pirates and swashbucklers dominated the waters around the archipelago. Blackbeard was among the most famous of these. Civilization was restored in the islands when in 1717, Capt. Woodes Rogers, once a pirate himself, was enlisted as governor and initiated a clean-up. He offered full amnesty to all pirates who lowered their flags. Those that refused were destroyed.

Nassau prospered and fell many times over the course of the next 200 years. Before the turn of the century, Henry Flagler came to the Bahamas with the money and power needed to build the island into a major resort town. World War I, however, stopped travel in the Atlantic, and Nassau again suffered economic devastation.

Luckily, prohibition in the United States afforded the islands some unusual luck. The first casino opened in 1929 and that same year, Pan Am began service to Nassau from Miami, bringing wealthy American tourists to the island.

Today, the Bahamas is the playground of vacationers from around the world who flock to the islands in search of sandy beaches, warm waters, world-class shops and resort, and friendly locals.

LOCAL FLAVORS

Once the haven of pirates and rum runners, Nassau offers a wide variety of nautical souvenirs including authentic pirate's treasure coins, as well as delicious rums and rum products.

We Recommend

La Thérapie HydraLift Facial

This youth-enhancing facial has results that are fast and dramatic. The appearance of fine lines and wrinkles will be reduced as galvanic frequency and our specialized ingredients treat the deeper layers of the skin where cell renewal takes place. The stimulating effects of high frequency will boost circulation and enhance oxygen absorption, resulting in a smoother complexion that will leave your skin looking youthful after just one treatment. 50 minutes.

Elemis Aroma Stone Therapy

This indulgent and therapeutic massage uses the power of touch and aroma with heated Basalt stones to soothe away stiff and sore muscles. In Polynesia it is believed that the river rocks harness the healing power of the water that flows over them. As your therapist massages your body with the stones, you will believe they are right. 50 minutes or 75 minutes.

Ionithermie Cellulite Reduction Program

Combining 21st century technology with specially selected sea-algae, you will experience both the firming and toning of the body with this revolutionary treatment. Using galvanic and faradic stimuli, products rich in sea vegetation are propelled into the fatty areas of the body to help drain fluids from the trapped fat cells and smooth away the puckered appearance. 50 minutes.

Elemis Aroma Spa Seaweed Massage

The power of aromatherapy is combined with the riches of the ocean in this deeply warming and detoxifying therapy. A heated seaweed mask containing a warming blend of essential oils is applied to your body before you are cocooned in a warm wrap. Relax weightless in a foil wrap while the active ingredients work to ease arthritis, fatigue and promote internal cleansing. Choose from Cellutox to detoxify or Musclease to soothe sore muscles. Your treatment is completed with either a half or full body massage. 75 minutes or 100 minutes.

Elemis Frangipani Hair & Scalp Ritual

We use rich Frangipani Monoi Oil, which is legendary for its ritual uses in Tahiti. Today both women and men use its nourishing qualities to moisturize and care for the skin, hair and nails. To ensure the full benefits are received, we wrap the hair in a warmed towel. Add this to any hair service. 25 minutes.

Elemis Exotic Hand Ritual with Manicure

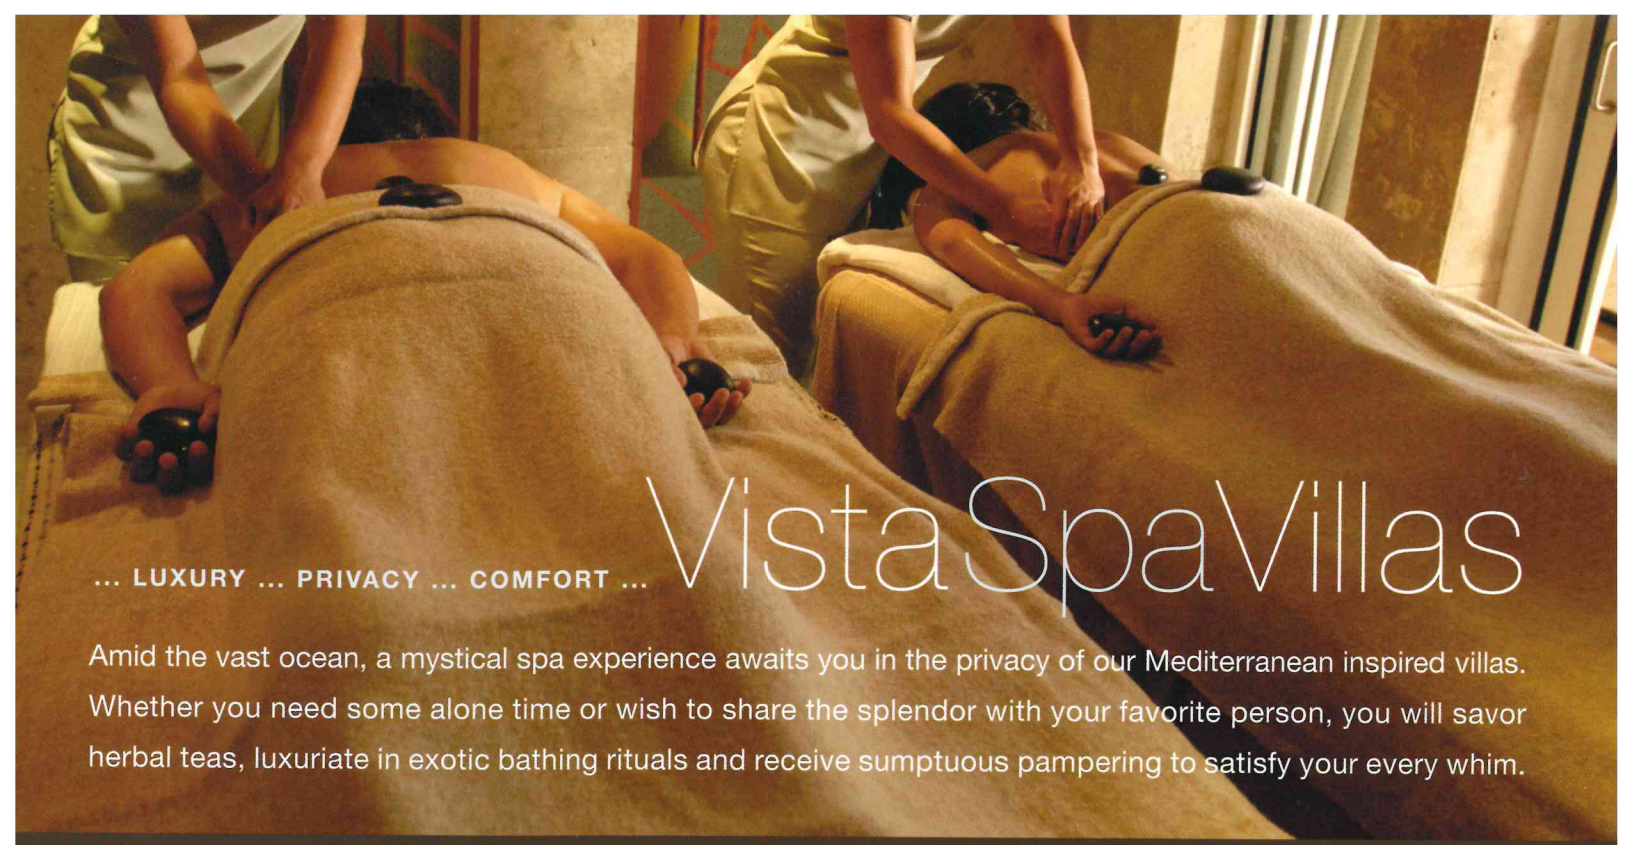

Simply beautiful. Pure pampering for your hands and nails to restore beauty and suppleness. Warmed aromatherapy oils nourish and condition, while the sublime sensation of Milk lavishes its richness and healing action on your skin. Our Exotic Hand Ritual includes a complete traditional manicure. 45 minutes.

Elemis Sole Delight with Pedicure

Warmed aromatherapy oils nourish and condition your feet and nails while the decadence of Milk and Exotic Frangipani Monoi Oil lavish their richness and healing action on your skin. Sole Delight Foot Treatment includes a complete traditional pedicure. A sensory experience for your feet which promises to leave you walking on cloud nine! 55 minutes.

Relax in the Rainforest, a Disney exclusive!

Before your treatment or as a relaxation experience in itself, we recommend a tropical escape to the onboard Rainforest. This Arabian inspired thermal suite is complete with intimate sauna and steam grottos and tropical rain showers. A little time in the Rainforest onboard can improve your circulation, metabolism, stiff and sore joints and also help clear your sinuses. It will also melt your worries away. Daily and weekly passes are available.
